John Johnson is the most amazing DJ I have ever seen. We had a tough time deciding on a DJ because my husband and I wanted someone that was fun but still respected the choice of music we wanted. I met Mr. Johnson at a wedding convention in Greenville and something about him stuck with me. He was charming and very funny. The minute I started to contact him he was very quick to respond whether it be through emails or phone calls. He gave great recommendations for songs and was very informative of how things typically go at a wedding. At our rehearsal he happen to be there setting up for a different wedding and was kind enough to play our songs to practice walking down the aisle to without me even asking. At the wedding he was amazing. He made everyone laugh and helped us to stay on track with our time line. He played fantastic songs that got everyone out of their seats and dancing and he also did great job of catering to our needs. John Johnson is magnificent at his job and you can tell he really loves and enjoys what he does. It shows that he tries his very hardest to make everyone's special day perfect and he definitely delivers. They say the DJ makes or brakes your wedding and I can honestly say John Johnson makes it. I would recommend Mr. Johnson to anyone who needs a DJ because he truly is the best you can get. Thank you so much John for everything, you truly made our wedding a dream come true!!

We again wanted you to know that you did a fabulous job at the wedding of Sarah and Hal at Carolina Country Club Saturday night! It was perfection! You worked with dignity and were totally organized. You knew how to keep the crowd dancing and kept all entertained! Everyone we spoke with said they had more fun there than any other wedding reception that they had previously attended! Our sons, Steven and Chris, along with all of the young people, had a ball! The parent crowd so enjoyed their opportunities to slow dance, etc. also. including David and !! I am sure as time goes on, many will want your name, and have requested it already! We appreciate that you are a gentleman with Christian values and morals and we didn't have to worry about having inappropriate music, etc. You did Exactly as we requested of you.....thank you for helping to make wonderful memories for our families!!

God Bless, David and Cheryl Hill

Christmas parties and even our hair shows! When a business owner decides to have 2 or 3 events a year for their staff members and customers it can be a little overwhelming trying to figure out how to keep that many people entertained and having fun but you have completely taken all the stress a way that goes along with planning these kinds of events.... "Thank you"! You certainly have an amazing talent and we want to personally thank you for sharing your talents with us. Our Great Clips girls always ask us every year to bring you back for our events...to me that says a lot about your ability to entertain all walks of people! Certainly you have been given a tremendous talent and thank you so much for sharing this special gift with us! "Thank you"!

John, Thank you so much for such a fantastic presentation!!! I thoroughly enjoyed your "show!" I didn't realize for quite a while that you were singing a lot of the songs - wonderful! I sure hope you get some responses from the guests for events later on. So many people have commented on what a great time they had and our reception was the "talk" of Eaton even a week after. That couldn't have happened had the music not been wonderful!

Thanks for everything and your professionalism, yet fun, was the best!
